

QUALITY POLICY

The Management of the Craggs Energy have a policy of continual improvement. In line with this policy the organisation recognises the benefits of and commitment to operating the business in compliance with the requirements of ISO 9001:2015 and any other requirements (legal or otherwise) as deemed applicable. This Policy supports the strategic direction of the organisation of consistent growth by creating partnerships with our current and new suppliers.

It is the Managing Director's wish to ensure that the organisation complies with and fully embraces the spirit of the requirements of ISO 9001:2015 which shall be subject to internal and external audit at regular intervals. This will provide a framework for establishing and reviewing quality objectives and enable us to maintain a structured and consistent approach to business, maximise internal efficiency and maintain through its adoption, the very highest standards of customer care possible.

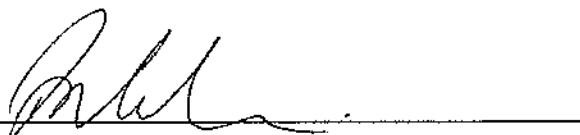

The organisation complies with and seeks to exceed the requirements of the Health and Safety at Work Act: 1974.

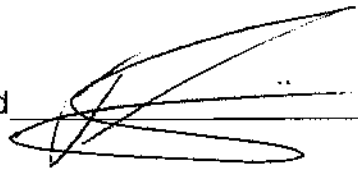

It is the Managing Director's belief that in adopting the procedures implicit within this standard, it will enable us to increase the organisation's operating efficiency, minimise wastage and hence improve profitability, whilst maintaining and continuously improving the effectiveness of the Quality Management System and levels of customer satisfaction.

The Managing Director will invest in training as and when required to promote the development and knowledge of its employees who are regarded as a key asset to the organisation.

Our aim is to always achieve total customer satisfaction with the services we offer so customers continue to choose us as their preferred supplier and also confidently recommend our company to other potential customers.

This policy statement is to be reviewed for continuing suitability and shall be communicated to, understood and followed by all personnel at all levels employed by the organisation and will be made available to any interested party on request.
